

Great Corporate  
Gift Ideas for  
the Holidays

These days, it's more important than ever to let your clients know how much you appreciate their business. And we happen to have a client who can make the process of gift giving easy for you. One of our oldest and favorite clients, Jady Regard, owns and operates two corporate gift giving businesses, [Cane River Pecan Company](#) and [Louisiana Living](#). A growing Louisiana firm, Jady's company provides high quality options for gift giving and handles all of the shipping and delivery of items straight to your client's doorstep - simplifying the giving process!

### Some of our favorite items are:

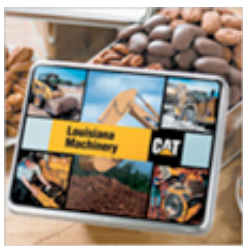

#### Give a Turducken as a gift!

Check out the Louisiana Living website for a fine selection of turduckens and stuffed chickens. [Click to view »](#)

We have had the privilege of assisting Jady with the brand development of Cane River Pecan Company and Louisiana Living. Over the years, we've designed all of his product labels and packaging. We love his product and are positive you and your clients will too!
